Text of Appeal

The CPIO has not provided the information. He has just informed that certified copy can be obtained in person after depositing requisite fee. This is an online rti maintained by the Government and there is facility to pay fee or further fee online, Grounds of Appeal: The CPIO willfully denied the information by not demanding further fee and not provided the calculation sheet of further fee. This is an online rti. I want only scan copy of certified documents. Further, the cpio has not provided the information within time mentioned in the rti act, so as per section 7(6) of the act, I may be provided information without any further fee payment or demand of further fee. Also the cpio has violated the rti act by informing the appellant to be present in person for obtaining certified copy. Prayer:- I pray to the First Appellate Authority to direct the CPIO to provide the information and provide only scanned certified copy without payment of any further fee as provided in section 7(6) of the RTI Act.

Reply of Appeal
